

## REASONS WHY YOU SHOULD PURCHASE YOUR MEMORIAL FROM WASHINGTON CEMETERY.

➤ Washington Cemetery is :

- Perpetual – *it will always be here !*
- Will handle all of your future needs directly through our office.
- Is a “not-for-profit” corporation. As such, all of the income derived from the services we provide is retained by the Corporation for the continual maintenance and improvement of the grounds and to further expand upon our special services. The ultimate beneficiary of which is **you** – our lot owner.
- Has assumed the responsibility of caring for your loved ones final resting site. It is only natural that your memorial should receive the same care and personal attention you have come to expect from our staff.
- Installs all memorial foundations thereby insuring the quality control & perpetual care necessary for you and your descendants for generations to come.
- Is the only authority that knows your lot and the exact placement of your memorial.
- Employs trained, qualified personnel who are best suited to give their undivided attention to all your cemetery needs – 24 / 7.
- Utilizes only the best quality of granite and bronze in the manufacturing of your everlasting memorial selection.
- And only your Cemetery will place a courtesy marker on the site the day you order your memorial. It will remain in place until your personalized memorial is delivered and set thereby avoiding an unmarked burial site during the interim.
- Offers *“interest free financing”* on all memorial purchases.

**IMPORTANT - We encourage you to purchase your memorial from Washington Cemetery - a not-for-profit corporation that utilizes the income generated from the services we offer to maintain and provide the perpetual care of the cemetery you have chosen for the eternal rest of your loved ones.**
