Dear Friend of The Washington Cemetery:

The holiday season is just around the corner and during this busy time of the year there just never seems to be enough hours in the day to do everything we want. Before you know it, January will be here, and we'll suddenly remember something we wanted to do—but just didn't have the time.

To help you ensure that one very important matter isn't overlooked we are pleased to provide **Live Pine Christmas Wreath** for winter decoration for the eternal resting place of your loved ones. Mounted on a sturdy metal easel, these beautiful wreaths are decorated with pinecones, red berries, and an "all-weather" red velvet bow.

We are offering One size Wreath (28") or Pillow this year at the same cost as last year. The Wreaths will begin being ordered around November 11, 2024. Expect them to start being placed right after Thanksgiving.

To ensure your wishes, fill out this reply form and return it with your payment. And from all of us at Washington Cemetery - wishing you and yours a

Very Merry Christmas and a Healthy & Prosperous New Year.

*Kevin D. Scott
 Superintendent*
