FAMILY AND FRIENDS OF THE WASHINGTON CEMETERY

The Washington Cemetery is always looking for ways to improve and beautify the cemetery for our families and visitors. As most of you know, we have the most spectacular view atop the cemetery property overlooking the city of Washington. Many people throughout the year visit and find themselves at this location to admire the view. Local churches hold yearly Easter Sunrise Service at this location, as well as the Funeral Services we have at this location.

Our project is to put a 14' x 14' concrete pad at this location with new sidewalks running to the pad, and on the pad, we will put a 12' x 10' Gazebo. We have a bench to install that a family has already donated to put under the Gazebo. We would like to offer this location as an option for other funeral services no matter where your final resting place is in the cemetery.

This project is costly; however, it will be a great addition to the location overlooking the city of Washington. So, we are reaching out to families that may wish to help us with the project by donating strictly to this project. We are looking to raise \$10,000 to complete everything outlined. We will recognize families donating by placing a Bronze Memorial Butterfly on the Gazebo. That donation would be \$500.00 per family, and anyone wishing to donate \$1,000.00 or more will receive a Plaque to be displayed outside the Gazebo. These donations would be tax deductible as we are a non-profit cemetery.

If you would like to donate for this project and receive a memorial butterfly or plaque, please contact me at the following email address: washcemeterykds@gmail.com subject: GAZEBO and I will be happy to follow up with you. I appreciate your willingness to donate in memory of a loved one or your family.
